Re: STEAMTOWN

Dear Robert:

I would be please if you would accept the the chairmenship of a commettee to discuss an excursion run from Scranton to Carbondale in conjunction with Steamtowm moving to Scranton.

I feel your enthusiasm towards the railroad and historical values best qualifies you to head this post. I would also be pleased if you would select a commettee to work with you. Please notify Joe Masco as to your acceptance and selections.

"STEAMTOWN" can be a big attraction and I would hope Carbondale can be part of it!

Should you have any questions concerning this project, please feel free to contact Joe or myself.

Sincerely,

Fred J. Mancuso, Mayor
